★ THE GOLDEN RULE OF THE GAME:

Between any two cards in this deck, there is ALWAYS exactly ONE matching animal (same species & color, though its size and orientation may vary). Be the first to spot it, shout its name out loud, and make your move!

5 Exciting Ways to Play (Mini-Games)

1. THE TOWER (Fill your hand)

Goal: Collect the most cards.

Setup: Shuffle deck. Deal 1 card face down to each player. Place remaining deck face up in center (The Tower).

Play: All flip cards face up together. Race to spot matching animal between your card and Tower. Shout match and take center card onto your pile! New card is now in play. Continue until empty! Most cards wins!

2. THE WELL (Empty your hand)

Goal: Be first to empty your hand.

Setup: Place 1 card face up in center (The Well). Deal all remaining cards equally among players face down.

Play: Flip personal decks face up. Spot match between your top card and center Well card. Shout animal and discard your card on top of Well! Your next card is now exposed. First to empty stack wins!

3. HOT POTATO (Pass the penalty)

Goal: Avoid holding cards at round end.

Setup: Deal 1 card face down to each player each mini-round. Set rest of deck aside.

Play: Flip cards face up onto open palm. Spot match with ANY opponent card, shout animal and place your card ON TOP of theirs! They must match new top card to pass pile! Last holding cards loses.

4. THE POISONED GIFT (Help or hinder)

Goal: Have the fewest cards at end.

Setup: Deal 1 card face down to each player. Place remaining deck face up in center.

Play: Flip cards over. Spot match between center card and ANY rival top card. Shout animal and give center card to them!

When center deck runs out, player with fewest cards wins!

5. TRIPLE SPOT (Grand vision challenge)

Goal: Spot matching triplets in a grid.

Setup: Deal 9 cards face up on table in a 3x3 grid. Keep remainder of deck nearby.

Play: All search simultaneously for ANY 3 cards sharing the exact same animal. First to spot triplet shouts animal, shows all 3 cards, and claims them! Deal 3 new cards. Most cards wins!
